Mama is a doting parent!
She's always like that, isn't she?
Her curly red hair and these pretty grey eyes resemble her grandma's.
Isn't she adorable? ♡
What is it, Papa?
At that moment...
Hey, come and see!

Eh...Papa, it's kind of tacky!
I-Is that so...? Seriously?
...if I hadn't responded to my father's call...
I put up a decoration at the pond. Isn't it nice?
Asahi, you come too. Hurry, or I will eat all the cookies!
Alright.
Dear, I made some tea. Wash your hands and come inside.

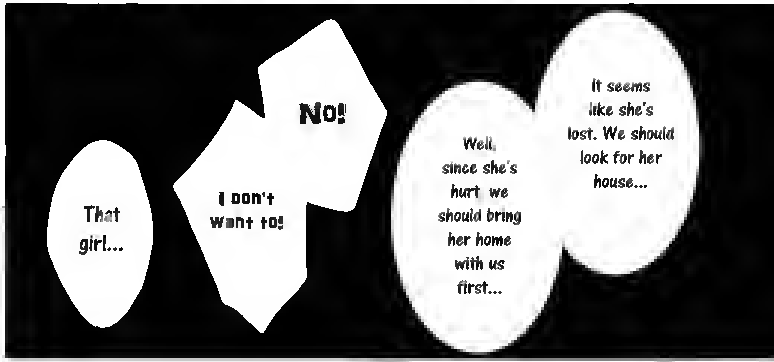
W-What? This girl...



It seems like she's lost. We should look for her house...
Well, since she's hurt we should bring her home with us first...
No!
I don't want to!
That girl...

She's wearing strange clothes and even the color of her hair is something I've never seen before.
Look! Those eyes!
She must be something bad! I'm scared...!

Don't say such a thing...
I don't think she's scary.
What are you saying, big brother!? Let's go home!
...Hey!

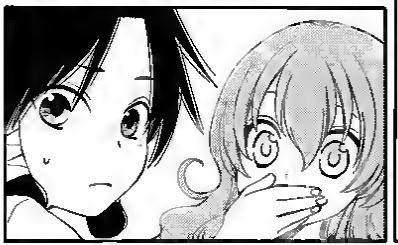
It seems she's lost
It's somewhat frightening...
I've never seen someone with that kind of appearance before...
That's why, please help her look for her house...
Until it's found, it's okay for her to stay with us, right?
Uncle, Aunt!!
Where is this place!?
It looks like we're way out in the countryside, but...
Where is the train station? If I can get on a train, I would be able to go home by myself.
What about the bus station?
If you could lend me your cell phone...

I can call Papa's...



What are you talking about...?
It gives me a bad feeling...!

Please! It's fine if it's just until we find her house...!
Father! Mother!

Mama is good at cooking! Her gratin is delicious! It's piping hot, the cheese is sticky, and the tasty macaroni is...
Mama? Mother?

...Mama...
Papa...
It's okay!
I'll find your Mama for you!
Ah.

Mhmm
You're pretty handsome. Not as handsome as Papa though.
Hand?

Mole...?
Under my eye...?

You have a mole under your eye

I don't really get it but I kind of understand.
I'm often told that I'm an angel when I keep my mouth shut!
Ehe.
Angel?

I'm Subaru.

.....
You are a really...strange child, aren't you?

Hahaha, I got lost, but I made a friend!
I'm Asahi.
Hey, Subaru. Inside the forest, there's a lake, right?
Hm? Yeah...
Could you take me there? If I go there, I might know the way home...
W-We can't! We mustn't approach that place carelessly!
Why not?
Because the water god is there.

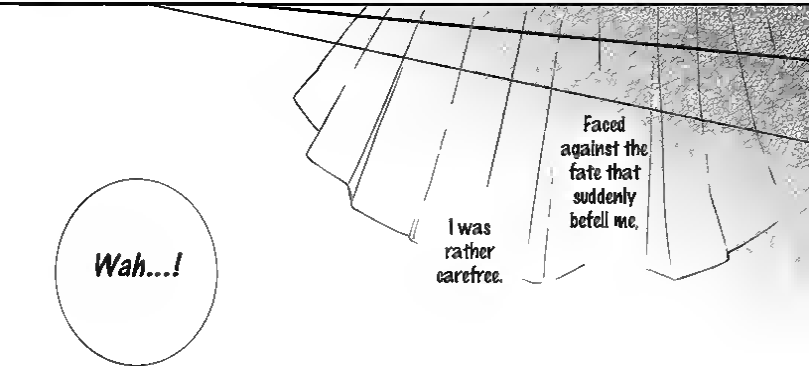
Ritu...?
We give thanks to the water god for his blessings, and dedicate prayers to him.
...Is it something like a festival?

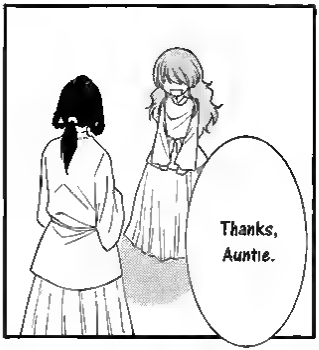
Ah... That's right! It's almost time for the ritual.
We'll be able to go to the lake then.

Papa and Mama will surely come looking for me!

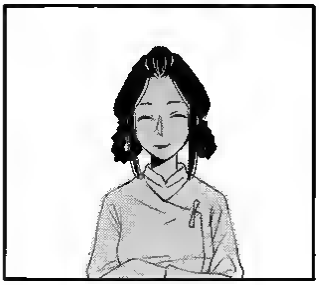
Will there be cotton candy?



Wah...!
I was rather carefree.
Faced against the fate that suddenly befell me.



Thanks, Auntie.



It's my first time wearing such clothes!
How interesting~

Now, let's go to the ritual.

He'll come later.
What about Subaru?
It's like Mama's hand.
I didn't know...

Where's the cotton candy?
There's no candied apple either.
It looks like...
...Papa and Mama didn't come...

I see... That's a shame...
